### Come Meet "Harley"

Just one of our most recent rescues. He is up in years and in very poor shape. He is very thin, his teeth need attention and his coat implies he may have some medical issues that have gone untreated for many years. Our vet checked him from one end to the other. He had his teeth floated (filed), his vaccinations and his sheath cleaned (very reluctantly). We shall load him up on groceries...slowly. He is a very handsome little horse and we will do everything possible for him to live out his life in comfort and safety... He loves carrots so come and by and say hello to "Harley".

### We are the Original LAS VEGAS FARM!

We opened to the public in 1961! Much longer than any orchard, farm or sanctuary in Las Vegas. We are so very grateful for everyone's support and continued appreciation for what we do for the animals within our care.

Gratefully, Sharon & Glenn

Note: We are not associated with the Gilcrease Company.

If you are hoping for the best possible allergy assistance... start early with true local honey before the season begins.

Visit us Sat/Sun from 9 to 4pm.

## BARN BUDDIES RESCUE 501(c)3

### Needs Volunteers!!!

One of the things BARN BUDDIES RESCUE needs most is a continuous flow of volunteers. This is a large property with lots of rescued animals.

Were it not for our volunteers, we simply would not be able to keep up with everything that needs to be done. So we ask you to consider coming out on any day but Monday to lend a hand for a couple of hours or all day. There are many tasks to keep this place ship shape and not all require interaction with the animals. We're sure to find a job that is suited to your time and talents.

Just give us a call at (702) 982-8000 and let us know you are coming and we will be quite glad to have you help us and the animals.

Please wear long pants, closed-toed shoes, and a shirt with sleeves. A hat and water bottle are highly recommended.

We could sure use and would very much appreciate your help. Hope to see you soon.

Thank you in advance,  
Farmer Sharon
