## The LAS VEGAS FARM and BARN BUDDIES SANCTUARY Presents Fall Festival Weekends

Las Vegas, NV –September 21, 2023 – The LAS VEGAS FARM and BARN BUDDIES SANCTUARY, a vital 501(c)3 nonprofit organization in the Las Vegas area, are excited to announce Fall Farm Festival Weekends, a seasonal celebration of fun, family, and festivities. THE FARM invites everyone to come and join in the fall spirit and support their noble cause.

Running throughout the autumn season, Farm Fall Festival Weekends promises a delightful array of activities and attractions for visitors of all ages. The highlight of the festival is the opportunity to choose from thousands of pumpkins at the weekly Farmer's Market. Every pumpkin purchase directly contributes to saving the lives of animals under the care of BARN BUDDIES SANCTUARY.

Activities for families and children include a Kid's Maze, enchanting Train Rides, and various games that promise endless entertainment. The concession stand will serve up delicious farm favorites like hot dogs, baked potatoes, and squash bowls, ensuring

visitors have a wide variety of delectable options to enjoy.

As always, The Farmer's Market will offer a bounty of local produce, freshly baked breads and pies, and pure, unfiltered honey - all sourced locally to provide a farm-to-table experience.

Sharon Linsenbardt, owner of THE FARM, emphasizes the critical role that this season plays for the organization.

**"Fall is not only our busiest time of year, but it's also the most important," she notes. "The proceeds from pumpkin sales are vital for covering the feed costs and veterinary care for the hundreds of animals living in our sanctuary."**

In addition to exploring the festival's offerings, visitors are encouraged to experience THE FARM'S newest attraction, the "Rabbitat", a habitat that houses dozens of rescued bunnies. For a small fee, guests can also visit and interact with our beloved horses, llamas, cows, goats, and more, offering a unique opportunity to get up close and personal with these charming creatures.

Farm Fall Festival Weekends at THE LAS VEGAS FARM and BARN BUDDIES SANCTUARY are the perfect way to kick off the fall season with family fun while making a meaningful contribution to the welfare of animals in need. NO ADMISSION required to enter the market.

## PRFAQ -

**Where do your animals come from?** Our animals were either abandoned or abused. Some have arrived via Animal Control as Barn Buddies Sanctuary is the only animal sanctuary of its kind in area, trained to care-for and treat a variety of species.

**Can I adopt an animal to take home?** No. We don't allow animals to leave the property for their own safety and well-being. Barn Buddies Rescue is a licensed and regulated facility with operators trained in caring for the animals. There are however a variety of options for people interested in sponsoring animals at The Farm.

**Do you take volunteers?** Yes, we have a variety of volunteer opportunities. Please ask for Sharon or Kelly to inquire about how you can get involved.
